# FIBER ART HOME PORTRAITS

A home is more than a building — it's a memory, a story, a feeling.

I create **one-of-a-kind fiber portraits** of homes and meaningful places using fabric, thread, and stitched details. Each piece is a work of art that celebrates your connection to the place you love..

## How the Commission Process Works

### 1. You provide the photos.

Your portrait is created entirely from the images you share. Every detail is chosen by you — architecture, gardens, special features, even pets.

### 2. I design and stitch your story.

Using artistic license, I merge your photos into a cohesive work of art. The amount of thread sketching, and hand stitching varies from piece to piece — each portrait “tells” me what it needs as it develops.

### 3. You receive a finished piece, ready to display.

The artwork arrives ready for hanging or professional framing, depending on your preference. Because this is primarily fiber (fabric, paper, and thread), I do not frame it myself — that choice is yours.

No two portraits will ever look alike. Your piece will be unique to **your home, your images, and your memories.**

## Preparing Photos (What to Send)

To help create the best portrait possible, please send:

- A clear photo of the full house or place
- Any close-ups of architectural details you want included
- Names of meaningful trees, plants, or flowers (optional, but helpful)

Once I have the address, I will also reference mapping images to help capture the landscape and surroundings.

## Displaying & Caring for Your Portrait

- Avoid displaying in direct sunlight, which can damage fiber art
- If framing with glass, ensure breathing space between the glass and the artwork
- For occasional dusting, use a gentle hairdryer setting or vacuum through window-screen material

## Pricing & Timeline

- Portrait size: 20" wide × 16" tall
  - Commission price: \$750
  - A 50% **deposit** (\$375) begins the work
    - If a larger piece is desired, we can discuss the price.
  - Shipping via **FedEx** (cost added at completion)
  - Payment accepted by **Venmo, PayPal, or check**
- If you'd like time to gather photos and ideas, you are welcome to join my **interest list**, and I will reach out when a spot becomes available.
